## A GUIDE

Whether you find yourself in Jackson or Sun Valley this spring, BigLife is here to help. From where to stay and what to play to where to shop or where to get lost (in a good way), our Big 10 will give you a game plan.

**HIGH COUNTRY RENTALS**  
141 Northwood Way  
Ketchum, ID

Offers a wide variety of luxury vacation homes and condos for rent. The hotel scene in Sun Valley is limited (for now) so renting a home is a great idea.

### 3 PLAY

**GUY COLES SKATE PARK**  
1202 Warm Springs Rd  
Ketchum, ID

This outdoor skate park, designed by Dreamland, is a locals' favorite with fun bowls, a over vert pocket, bank wall, pyramid, and corners. Adjacent is the Big Wood River, perfect for cooling down after an active skating session. Kids and kids-at-heart are welcome.

**EARLY SEASON MOUNTAIN BIKING**  
The sick singletrack nearest you

Break out the bike and go for a ride. Hailey has a great trail system with miles of singletrack. Carbonate Loop, six miles of challenging singletrack in the center of Hailey with great views along the ridgeline, is a perfect afternoon ride. Farther out of town is a trail system starting at Bullion trailhead. Hidden Valley, Two Dog, Bulldog, Democrat—all trails connect and all are fun to ride. Good dog.
